Dear Parent,

Classroom environment plays a significant role in the learning at school and the overall development of a child's personality. A child learns through his interactions with his classmates while they collaborate during tasks and activities. It is thus imperative that the class size is suitable for optimum learning. This makes classrooms lively and exciting.

Keeping this in mind, the students of grade I C are being merged with students of grades I A, I B and I D. You will be intimated about the new section of your ward through the diary.

Looking forward to your support and co-operation.

Vice Principal

Ms. Sudha Murugkar
