Dear Parents,

As per parents' request school has started skating as a mandatory activity. As a result, skating will not be a part of club activities. The School has a range of extracurricular and co-curricular activities for students. Various clubs organized in School cater to the varying levels of abilities and aptitude of children. It is compulsory that students involve and enroll themselves in one club activity of their interest and choice. Students will be involved in one club for the entire year and there is no provision for club to be changed in between the academic session.

The clubs offered this year are as follows:

- Eco Club
- Language Club
- Visual Arts Club
- Performing Arts Club

In addition to these clubs we also have Innovation Club for which the Innovation Guru will select the students. If your ward is selected for the same you will be informed about it.

Kindly indicate your ward's choice in the list given below and send it to the class teacher latest by **Tuesday, 17th July, 2018**. We will try to give your child's first choice but to balance the number of club members we might go for second or rarely third choice.

Looking forward to your support and co-operation.

Best regards,

Ms. Sudha Murugkar

Vice – Principal
