Date: 30th July, 2018

Dear Parent,

Ministry of Health and Family Welfare has initiated Measles-Rubella (MR) vaccination campaign for the age group of 9 months to less than 15 years in a phased manner across the nation. The Measles-Rubella campaign is a part of global efforts to reduce illness and deaths due to Measles and Rubella/CRS in the country. Measles immunization directly contributes to the reduction of under-five child mortality, and in combination with Rubella vaccine, it will control Rubella and prevent CRS.

All children from 9 months to less than 15 years of age will be given a single shot of Measles-Rubella (MR) vaccination during the campaign.

Like with any other injectable vaccine, there could be mild pain and redness at the injection site, low grade fever, rash and muscle aches, which subsides on its own.

As per the directions of Surat Municipal Corporation, vaccination is scheduled on Monday, 6th August 2018 from 9:30 am onwards in school campus. Kindly send your ward to school as per regular timings. A consent form has been sent in the diary of your ward. Pl send the filled in consent form with your ward latest by 4th Aug, 2018. The vaccination will not be administered in the absence of the consent form.

Looking forward to your support and co-operation.

Regards,

Vice Principal

Ms. Sudha Murgankar
