Dear Parents,

Greetings for the day!

TM Patel International School is keen to collaborate with Subramaniam Academy of Performing Arts (SaPa) to provide high quality Indian and Global Music education to children in our school. The academy was founded by India's leading violinist composer by Dr. L Subramaniam and Bollywood legend Ms. Kavita Krishnamurti. It was their dream to create a home for global music in India, and since its inception in 2007, SaPa has been focused on nurturing the next generation of performers and creating global musical exchanges and dialogue. They work with students from Nursery to Grade II and their focus is on age appropriate curriculum and methodology.

We are pleased to share with you that Mr Ganesh from SaPa will be with us in School on 2nd Feb, 2019 to conduct an Orientation Program for parents of students of grades Nursery to II. You can attend the Orientation in any one of the time slots mentioned below.
